I beg to represent the need for taking early action for training officers for gazetted charges in the Accounts Department. The Gazetted staff of this Department has been seriously depleted by promotions, transfers and retirements and adequate provision has not so far been made for training new officers to fill up the vacancies caused from time to time. The result is that a number of gazetted charges are held by officers appointed as Acting Assistant Comptrollers or by those employed for temporary periods. The promotion of a number of men from the Subordinate Account Service has weakened the staff of Superintendents, on whom devolves very responsible duties under the departmental codes. The manning of many of the gazetted charges by members of the Subordinate Account Service has its own draw-backs and the system of promoting for all vacancies in the ranks of gazetted officers, officers from the Subordinate Account Service has neither been in the interests of the gazetted service nor of the Subordinate Account Service. The latter Service itself has been considerably weakened by deputations and promotions and against 13 charges of Superintendents there are now only 6 permanent men. As regards the subordinate supervision of work ~~goes~~ the condition of the Comptroller's Office is very far from satisfactory.

2. I shall explain the position with reference to the number of charges and their present incum-

incumbents. The number of gazetted charges is as follows:-

Permanent Officers.--

1. Mr. L. Bishtopanth Badami
2. " T. Lakshminarasimha Rao
3. " B. Srinivasa Iyengar
4. " M. Srinivasa Murthy
5. " A. N. Raghavachar
6. " M. A. Rangachar
7. " T. Subramiah (recommended for confirmation)

There are two more permanent officers, viz., Messrs. S. Shamanna and K. R. Krishnaswamy Iyengar. The former is now on special duty and on completion of it, he has requested to be reverted to the Revenue Department. He is primarily an officer of the Revenue Department and has been long away from it. His request for transfer to that Department is very reasonable and has to be complied with as I have more than once represented to Government. The Comptroller has agreed to spare Mr. Krishnaswamy Iyengar for work in the Military Department and it is uncertain for what period he may be kept employed in that Department. Whether for revision of Codes or for other special work or for deputation to another Department as in the case of Mr. Krishnaswamy Iyengar, one permanent officer of the Account Department is generally likely to be employed on other duty and therefore not available for ordinary charges of that Department. I there-

therefore leave Mr. Krishnaswamy Iyengar also out of calculation.

3. It is under the contemplation of Government to transfer to the Comptroller's Office Mr. N. Krishnaswamy Rao now employed in the Military Department. He has not however passed the Higher Departmental Examination and does not also appear to have much taste or aptitude for the work of the Account Department. I therefore leave him also out of calculation.

4. Against 12 charges, therefore, we now have 7 officers and the remaining 5 are filled up as follows:--

(i) Officer whose services have been borrowed for a specific period from the Government of India-Mr. R.Sriranga-rajan.

(ii) Superannuated Superintendent temporarily employed as acting Asst. Comptroller - Mr. B. C. Garudachar.

(iii) Superintendents temporarily promoted as Acting Assistant Comptrollers:--

Mr. A. Narasimha Murthy
" A. Tholasinga Mudaliar
" C. Rajagopaliengar

The training of 5 new officers has, therefore, to be arranged for.

5. It has been decided to take over from the 1st October 1919 the Bangalore-Mysore Section and the Birir-Shimoga and the Nanjangud Extension Branches. The addition of about 150 miles will, in all probability, require another gazetted officer for our Railway Audit Office. Government have sanctioned a system of training for all offices -

officers -- Senior and Junior -- of the Account Department and in the interests of efficiency of the Department, it is necessary to take prompt steps to give effect to Government Orders. For some years to come, at least one officer should be assumed to be on deputation for purposes of study and this is another demand to be provided for. Seven new officers are therefore necessary for the Department and against this demand, there is only one officer, viz., Mr. M. Venkatanaranappa, now under training.

6. As I have explained above, the need for training 6 officers is urgent but it may be difficult to spare so many officers at the same time for transfer to the Account Department. I would, therefore, earnestly request that at least 4 young Assistant Commissioners may, immediately, be transferred to the Comptroller's Office for training; the remaining 2 may be sent a year hence. I also request that the officers selected for training may be Assistant Commissioners who are recruited by competition and who are graduates in Mathematics or Economics. I beg once again to urge that the need for posting officers for training in the work of the Account Department is very pressing and solicit the favour of very early orders. Unless immediate arrangements are made for training officers, the work of the Account Department will, I beg respectfully to state, seriously suffer.

The Financial Secretary in his note, dated the 12th August 1919, has represented that the Gazetted Staff of the Comptroller's Office has been seriously depleted of late and that unless urgent arrangements are made for training officers for the gazetted charges, the work of the Account Department would suffer very much in the near future. He suggests that four young Assistant Commissioners recruited by competition may immediately be transferred to the Comptroller's Office for training and two more a year hence.

The subject was considered at the meeting of Council on the 26th August 1919 and it was resolved that "the following probationers might be posted to the Accounts Department:-

1. Mr. M.A.Srinivasan,

My dear Sir,

I am given to understand that orders have been passed transferring me to the comptroller's office and that I am to be relieved forthwith. While quite willing to obey the orders of Government I request permission to be allowed to stay at Mysore for about six months more since just at present this transfer comes in very inconveniently

Rec 24/10.

I have just recovered from an illness which kept me in bed for four months and a transfer just now, may I am afraid with its incident inconveniences, prejudicially affect my health.

Again, I was unable, on account of my ill health, to sit for the departmental examinations held last May. Even in the first year of my probation I was placed on special duty till a month before the examinations. So practically this is my first and only chance to pass

pass from departmental examinations and a transfer just now will without doubt affect seriously my preparation for the examinations on which my future prospects entirely depend.

Further, I have not yet finished my training in Equitation. The riding School at Bangalore being very far off from the city will practically take away all the mornings leaving very little time to my studies.

I request you therefore to kindly get the present order held in abeyance till the next Local Examinations are over.

Thanking you in anticipation

I remain
my dear Sir
Yours obediently
